MAN IN CHARGE (COMMANDER?)

IS REQUIRED TO MAINTAIN  
a daily log or ledger.  
He does NOT NECESSARILY  
ENJOY THIS ASSIGNMENT.  
Major weakness is the  
INFLEXIBILITY OF SOP. Next  
IS UNREALISTIC SOP in that  
IT DOES NOT ADDRESS THE  
"REAL WORLD."

PRIMARY MISSION IS  
STORAGE. Secondary is some  
MAINTENANCE AND CONSTRUCTION.

EMOTIONS (OVERWHELMING)

Here I am on what appears to be a beautiful beach in the Caribbean. The air is hot and humid. the water is warm and salty. There are so many stars visible that its absolutely beautiful. I'm on a beach. The sand is so very fine and almost pure white. There is lush foliage all around. It seems like somewhere in the Caribbean Islands.

In the meantime, taking place at this location, is rioting, death, destruction, confusion, all brought about by something political --- political turmoil.
